The human resources development intern supports all operational tasks and also looks after smaller projects alone. They assist in finding new training and has a good sense of trends. Together with the team, he ensures that current training is carried out to the full satisfaction of everyone and participates in the consultation of employees.

- Providing assistance to talent development tasks and projects
  - Supporting the creation of new training ideas and concepts
  - Involvement in creating leadership development concepts
  - Coordinating and organizing trainings in collaboration with internal colleagues or external providers
  - Administration of our internal learning platform
  - Managing and supervising on- and off-site training sessions from start to end
- 
- Student of economics with a focus on human resources or a comparable degree program
  - Strong administrative and organizational focus
  - Service-oriented and emphatic
  - Very good spoken and written English language skills and fluent German language skills

Feel free to apply directly on our website <https://duesseldorf.ubisoft.com/en/>
