Beyond Good And Evil 2 is an action-adventure sci-fi RPG set in the same universe as Ubisoft's original cult classic. You can now join our crew at Ubisoft Mainz to help us shape this amazing project.

What you will do:

- Develop intricate knowledge of in-house tools setup and maintenance.
- Provide technical support for account administration, access, and permissions across various software
- Liaise between development team and IT to solve technical issues
- Alongside IT, monitor and manage the NAS storage used by all Studio projects
- Perform branch management / integration
- Maintain project pipeline application support knowledge / awareness.
- Create and maintain scripts to automate the Build Pipeline.
- Monitor build system for failures / errors and maintain Build Servers & Build Farm
- Debug compilation issues in code & tools
- Collaborate with partner studios to share technology and best practices
- Act as the team's main point of contact for technical support

What you bring:

- Bachelor's degree in software engineering or other related major
- Experience with automated build systems and continuous integration (Jenkins/Bamboo)
- Version Control Administration experience (Perforce, Git).
- Excellent verbal and written communication skills
- Scripting Experience, preferably Python, C# & Batch & Shell scripting
- Good organization skills
- Strong analytical and troubleshooting skills
- Excellent English communication skills (spoken and written)

Your benefits

- Relocation support: We offer financial support in form of a cash allowance and assistance with accommodation search via our relocation partner. For international candidates we offer visa assistance.
- 26 days paid vacation per year: Additionally, you will get half a day off on Christmas Eve and New Year's Eve, as well as approximately 12 bank holidays in the Mainz region.
- Flexible working hours: We have core working times between 10:00 AM - 04:00 PM and the distribution of the other hours is up to you.
- Our Ubisoft Blue Byte Academy offers multiple opportunities for you to discover your full potential and develop yourself in various areas. Guest speakers from the industry, workshops and access to our training and development platform
- Self-study and training hours (half a day per month): You have access to our in-house library
- Company pension scheme. We offer an attractive scheme through salary sacrificing in which the employer also matches contributions
- Up to 350€ childcare support per child per month. In addition, we also offer 5 'care for ill children days' per child per year.
- Discounted games: Discount on employee game orders & free Ubisoft games on Ubisoft Connect.
- Gym subsidy: We contribute 50% (up to a maximum amount of 25€) towards the monthly cost of a gym membership of your choice.
- Monthly mobility budget: 80€ per month that can be used on bicycle lease, parking spot rental or public transportation ticket.
- Borrow a bike for free: Discover the city from a new perspective.
- English and German classes for free. The main language in the studio is English.
- Free fruit, vegetables, coffee, tea and water. Enjoy some vitamins and beverages in our office.

We offer a highly motivating challenge for team players interested in showing personal initiative in an innovative and international company. If you are passionate about video games and would like to join an industry leader - please apply via our career portal.
