Anno is a critically acclaimed and award-winning franchise, offering a rich city-building experience and providing players ample opportunity to create huge metropolises, plan efficient logistics networks, explore and settle new lands and dominate their opponents by diplomacy, trade or warfare.

As our Lead Narrative Designer, you will guide a talented team of narrative designers and writers to craft a rich, captivating, and meaningful game world that fully immerses our players. As a leader and mentor, you possess the talent and expertise to motivate, inspire, and support your team in delivering narrative content in line with our creative vision and of AAA quality.

Leading by example, you champion autonomy, trust, and innovation, while also fostering a culture that allows creative ideas to flourish.

To excel in this role, you should showcase a proven track record in narrative design, coupled with strong leadership skills, effective communication, and the ability to balance creativity with organization.

## What you will do:

- Manage a team of writers and narrative designers
- Work closely with the game and creative director to align on narrative goals
- Collaborate with other departments on narrative and art content creation
- Mentor team members and lead by example
- Demonstrate an open mind towards ideas, feedback, and criticism and provide constructive feedback and criticism to your team and peers
- Work with the production team to help ensure the smooth running of the development process
- Help to build better, more efficient processes within the team

## What you bring:

- Minimum five years of experience in the games industry, working in a narrative or design capacity
- Extensive understanding of the narrative design process, including storytelling narratology and dramaturgy, environmental storytelling, character creation, and writing
- Strong verbal and written communication skills in English

- Positive attitude, strong work ethic, and the ability to work in a highly collaborative team environment
- Solid knowledge of the game production pipeline
- Ability to learn and master new tools and techniques

\* Familiarity with the Anno Franchise and strategy games is a plus

### What to send our way:

- Your CV, highlighting your education, experience and skills
- A cover letter including your earliest starting date, expected salary and why you would like to join us
- \* A portfolio with examples of your previous work/projects is a plus
